President's Report/Hinda Piscitelle

Spring Glen School PTA continues to be a very busy organization. As my tenure as president nears an end I would like to thank you all for taking this journey with me. We have continued the strong tradition of meeting the students needs both in the classroom and beyond. We support the teachers, staff and administration through volunteering as such fundraisers a bake, book and plant sales; join committees that include bringing theatre experience to the young. And support families financially that include programs that enrich and change lives for the better.

Our PTA community is second to none. And this executive board went beyond anyone's expectations working together and supporting each other's idea for the betterment of Spring Glen School.

So many people ask me how retirement is... what does retirement really mean? To me it is being with so many great people that believe in the same goal... Working together to enhance the lives of children. I think we accomplished that together.

A big thank you to the following members who work so diligently:

Christy Czekaj- for planting new flowers and who never stops doing

Annie Powers- creating the wall of fame for the actors and crew of Aladdin, JR.

Eve Sansone- making the HEA basket

Heather Wainwright- keeping track of the monies for our spring events

Allison Rosenberg- organizing the Plant Sale in May, scheduling the Paradise Country Club event

Chaundra Vasseur and committee chairs of the play

And all the PTA members who volunteered to assist in the upcoming Scholastic Book Sale, Plant Sale and all play related subcommittee.
